CALL FOR PAPERS

2021 2nd International Conference on Robotics and Intelligent Control (ICRIC 2021)

2021 2nd International Conference on Robotics and Intelligent Control (ICRIC 2021) will be held in **Hong Kong** during **November 25-27, 2021**. The objective of ICRIC 2021 is to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in Robotics and Intelligent Control. This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

Publish Information

✧ **Option A:** Accepted papers will be published into **ICRIC 2021 Conference Proceedings**, which will be indexed by **EI Compendex**, **Scopus**, etc.

✧ **Option B:** Accepted papers will be published in an issue of **International Journal of Mechanical Engineering and Robotics Research** (IJMERR, ISSN: 2278-0149, DOI: 10.18178/ijmerr), which will be indexed by **Scopus** (since 2016), CNKI, Google Scholar, Crossref, etc.

Topics

Topics of interest for submission include, but are not limited to:

- Genetic Algorithms
- Planning and Scheduling
- Fuzzy Control
- Distributed Control Systems
- Humanoid Robots
- Cognitive Approach for Robotics
- Network Robotics
- Vehicle Control Applications
- Autonomous Agents
- Telerobotics and Teleoperation
- Human-Robots Interfaces
- Control and Supervision Systems
- Human-Machine Interfaces
- Space and Underwater Robots
- Robot Design, Development and Control
- Machine Learning in Control Applications
- Evolutionary Computation and Control
- Software Agents for Intelligent Control Systems
- Neural Networks based Control Systems
- Intelligent Fault Detection and Diagnosis
- Mobile Robots and Intelligent Autonomous Systems
- Surveillance, Fault detection and Diagnosis
- Intelligent Transportation Technologies and Systems
- Collective and Social Robots
- Virtual Environment, Virtual and Augmented Reality

Program at A Glance

➢ **November 25, 2021**
10:00 AM - 05:00 PM   Registration & Conference Kits Collection

➢ **November 26, 2021**
09:00 AM - 09:10 AM   Opening Remarks
